

T.J. DE WITT & COMPANY, INC. **WE ARE HIRING.....**

We are seeking a FULL TIME WISCONSIN LICENSED ELECTRICIAN to join our team.

T.J. De Witt & Co., Inc., is a residential and commercial electrical contractor that does work in the Rhinelander and surrounding areas. Our team works on everything from new construction to all types of service work, including generator installation and maintenance, for both residential & commercial customers.

We are looking for a Wisconsin licensed Electrician or apprentice, to join our small electrical company. As a Licensed Electrician you will be responsible for the installation and repair of electrical systems in residential and commercial spaces. Install, test, troubleshoot, and replace electrical components to ensure systems function safely and efficiently.

If you have experience and are looking for a unique and rewarding work environment this is the opportunity.

We work and play in the Northwoods area, if you are looking to relocate, Rhinelander has a lot to offer. There are activities such as hiking, fishing, boating, hunting, biking, ATV/UTVing, skiing and shopping, just to name a few. These activities and others can be done right from your backyard.

We offer a comprehensive compensation package and is an equal opportunity employer:

- Excellent pay and an exceptional benefits package
- Employer paid health insurance.
- Paid time off
- YMCA membership discount
- Vision & Dental Insurance
- Supplemental Insurance
- Monday thru Friday dayshift work week
- Flexibility
